Today's "What Am I?" puzzles have two colorful answers. Both are beautiful. But one is deadly.

If you were in the Rainforest, you would want a wise guidebook that could tell the difference between things that are poisonous and things that are safe.

Sin can be like a poison dart frog: it can look interesting, and fun, and even harmless. Sin is so tricky because it makes us think it is what's best for us (because we want it!) but really, it's what is worst for us.

God's Law is our wise guidebook. God loves us, and wants us to live! God's law is beautiful, and it is good for us!

There is only one person who ever followed all of God's law perfectly: **Jesus**. He is our true Guide!
