Answer the questions below to practice using the compass rose. Then, color it in!

1. If you walked North, then made a left turn, what would be your new direction? _____

See Answers below (upside down)

All of the answers are True! The Tiger is an incredible creature.
 Are there any ways you are like a Tiger? Do you like to swim?
 Are you a good jumper? You are one-of-a-kind, just like the
 tiger's stripes!
 One way we are different is that we were not created to be
 alone. Jesus called his 12 Disciples to follow Him. That meant
 they followed Him everywhere. They shared meals and walks
 and talks. Jesus was their Teacher, and their friend.
 When we follow Jesus, we know that He is always with us.
 He will never leave us, and He leads the way!
