CRAFTS

INTRO

Parents,

First, let me welcome you to the virtual craft section of this year's VBS! My team and I are sad that we won't be able to work with you in person this year, but we're super excited about what we have planned. There is some important information in this introduction, so please read all the way through for the best clarity.

REALLY IMPORTANT:

If you live near Harvest and have chosen to pick up a bag of supplies for this week, some of your crafts will differ from those who are unable to pick up a bag. Everything you need for the craft will be in the bag of supplies that you picked up. You will also have a copy of the instructions for each day in your bag. Your instructions will be labeled as "bag" in this PDF.

If you do not live in the area or did not pick up a bag, the printable version of each craft will be available and clearly labeled in this PDF. **Your instructions will be labeled as "no bag".**

Please look over the instructions before beginning, so that you have a good idea of how the craft for the day works.

We would also like to mention that it is entirely up to you to decide how much you do each day. You can do the craft, the coloring page, or both! Just because it is provided doesn't mean that it has to be done. If it doesn't happen, it doesn't happen! Save it for another day, give it away, or pitch it. The most important part is that you have fun!

Happy Crafting!

4. *PARENT HELP ADVISED* PEEL THE BACKING OFF OF THE SECOND PIECE OF CONTACT PAPER AND PLACE IT, STICKY SIDE DOWN, ON TOP OF THE FIRST PIECE OF CONTACT PAPER. IT SHOULD BE STICKY SIDE ON STICKY SIDE, WITH THE CROSS OUTLINE AND CONFETTI IN BETWEEN.

None of this could have been possible without help from some amazing helpers! Thank you so much to: Gillian, Barb, and Holly for their hard work and support of our VBS crafts this year!

We hope you had an amazing time at VBS this year and that we will see you next year (whether it be virtually or in person). Have an amazing rest of your summer!

Blessings,
